“ *Agnes and I graduated from Wallington High School in 1957—the third class from WHS. There were only 49 students in our class. I remember Agnes when we were younger and had color in our hair and faces without wrinkles! She was quiet, friendly and a good person to know. In our later years we connected again since we both went to the Wallington Presbyterian Church. My condolences to her family on her passing to a better life.*
