“ *Words cannot express how much Tony meant to us. We will miss his delicious gourmet meals he prepared for us and the fun times we had when we got together. He was more than a brother-in-law to us, he was a forever friend. We will miss him dearly and he will always hold a special place in our hearts. Till we meet again.*

“ *I would love nothing more than being able to comfort you but I know nothing can fix your heartache. Pat, you'll be in our thoughts and prayers asking our Lord to give you strength during this most difficult time.*

“ Tony was a special talented person who shared his life with us. Now there's an emptiness there. We miss him. He & Pat made a wonderful team.

“ Tony was a warm, caring man who was always ready to help those in need. The love of his life, Pat, remained by his side to the end. My husband and I found Tony to be very knowledgeable and we enjoyed conversing with him about many topics. He was a quiet man at times but knew when to spark a conversation. We will miss him but are comforted by the very thought that Tony was a part of our lives. Much love and deepest sympathy to Patricia and family.
