JD

“ *I am Brad's cousin living in NC (Mike Balon's daughter). Our families spent many holidays together doing a cookout, and several vacations at the shore. I have such great memories of all of us kids crabbing off the dock and going to the beach, and just all playing together either at our house or Brad's. They were such good times. I am disappointed that I never got to know Brad as an adult though. My condolences to you and your children, I was so sad to hear about his passing.*
