“ *Wanda and Kenny, I extend my deepest condolences to you and your families. I remember your mother visiting my family often during my younger years. She always brought delicious goods for us that we couldn't purchase in Hunterdon County at that time. She would always be kindhearted and loving towards all of us. When the garden was in bloom, my father made sure she had fresh vegetables to take home. I miss the days she took me to the county fair too! She was a great woman and will be missed by many hearts that she touched. My father spoke highly of her even to the nurses and aides until he passed. Much love and heartfelt memories. ❤️*

“ Much LOVE and beautiful memories of my very dear, kind and witty Aunt Carol! Remembering the FUN we had together with Wanda in Hollywood, CA all those years ago. We just got in by the skin of our teeth to see a taping of the Tonight Show with Jay Leno... I think we were the very last people let in through the studio doors that day! I was stressing because I really wanted you to have a good time while visiting California! I loved ALL the time that we ever shared together! <3
