“ I don't really have one specific favorite memory of Cris! But I would have to start with my first introduction into my husband's family! Christmas holiday dinner and everyone speaking polish at the table! Chris sitting next to me to make feel welcome and translating all the conversations going on around the table! After a while she couldn't keep up and made an announcement every one please speak English it's difficult for Debbie! She always made me feel welcomed in her home and went out of her way to make me feel a part of the family! I will also always be great full to her and Paul visiting us at the hospital when our twins were born “driving 2hrs out of state for a 1/2 hour visit and literally driving 2hrs back home! It meant so much to us! She had a big heart, always giving and sharing I cherish all our get togethers and conversations thru the years! Especially our last one! Rest in peace! “ My deepest condolences to the entire family 🙏 may Cristina rest in peace! We grew up together in Brazil (lived around the corner from each other). Our family came to the US and again we lived around the corner in Passaic. When I was getting married she was one of my bridesmaid. She was a beautiful and caring friend. Cristina will always be remembered and always in our prayers. 💔 Maria Brynczka & Jozef Brynczka
