“ I miss you this Christmas, and can tell you are in the twinkle of the lights on the tree. I know that you are around, still hear your laugh and remember the good memories we made. Sparkle on...as you always did! Love, Moes

“ Denise was a dear friend and fellow animal advocate. She cared so much for the unfortunate abused and neglected animals in this world besides being a great friend. We will surely miss her and every time I pass her house which I do every day it will give me a lump in my throat. Never would I have thought when we went out to celebrate your birthday this year to the "The Little Cafe" would we lose you within the year. It was a pleasure to have known you and I'll miss you..
