“ *Even though I hadn't seen Eddie since the mill closed, I was touched that he came to my son's wake in 2018. It was so kind of him to do that. Eileen's memory of Ed triggered a memory that I had. There was a coworker that he would give a ride home. That man never washed and smelled really bad. I asked Ed how he handled it and he said that he would just light up a cigarette to cover up the smell. I offer my sincere condolences. Regrettably, I will be away this weekend and can't attend the wake. I will pray for Ed and his family.*

“ *Good memories of a wonderful man who we worked with and had social occasions out with Freddie and the gang from GSP. Eddie was always a gentleman, classy and an all around regular guy who would give you the shirt off his back if he could help you in any way. You will be missed Eddie. God bless you. Rest in peace in Heaven Sending prayers and condolences to your family. You will be missed.*
