“ *Florence was our neighbor on Newcomb Road in Ridgewood, but unfortunately we only got to know her later in her life. She lived a few houses away from us and sure wish that we have known her better before and wish that she was our next door neighbor. Nice lady and when ever you needed a favor she was there for you with a smile and a wise crack - Rest in peace Florence for a life very well lived. Karen Jones, Ridgewood NJ*

“ *I am privileged to have known this wonderful woman and to have called her affectionately, my "Auntie Flo". She was such an angel to all the Chambers family. She brought us joy and laughter and I will cherish the memories I have of growing up with her, going to her house for holidays and celebrations, and I will always remember her beautiful smile.*

To Diane, I don't know if you remember me but I have fond memories of the times we got together.

My love to all the family,
