“ IN LOVING MEMORY
Garrit Kardash

Mr. Garrit Kardash was born to Peter and Helen Kardash on June 6, 1943. His parents had passed away earlier. He was very close with his brother, Daniel and a family friend, Helen.

Garrit was admitted to Green Brook Regional Center on June 3, 2014. He lived a happy and joyful life here with us at Green Brook for the past 5 years.

He had many special friends here due to his caring “big brother” like nature. He enjoyed looking after his peers.

Garrit had a good sense of humor and when he was ambulatory he would always ask permission if he could leave his room, enter the solarium and sit in a vacant chair to be with others. His presence was a joy to all around him.

He especially enjoyed his family visits.

Garrit’s kind, loving, and nurturing demeanor will be missed by all of the staff and his peers at Green Brook Regional Center. He was an important part of our family here at Green Brook and he will be missed.

Rest in peace Garrit. We love you.

The Broken Chain

*We little knew that morning
God was to call your name.
In life we loved you dearly,
in death we do the same.*

*It broke our hearts to lose you,
You did not go alone.
For part of us went with you
The day God called you home.*

*You left us beautiful memories,
Your love is still our guide,
And though we cannot see you,
You are always at our side.*

*Our family chain is broken,
and nothing seems the same,
But as God calls us one by one,
The chain will link again.*

“ *Butch Kardash*

It was only a very short weeks ago that we lost one of our Amigos ...Ted. Now we are gathered here once again to lay to rest our beloved Butch. We are now but two left to carry on the spirit of our Amigo friendship, Dan, and myself Marge.

Butch was a loving member of our family who at a very young age was dealt a terrible faith for the rest of his young life. Never to regain it.

However, as a family we all moved forward together to keep him in our loop as normal as we could. He would laugh, play, kid as normal as he was able to with the family.

His Mother/Father and brother Dan with his Uncle Red devoted their lives caring for him, never, ever, to reject him. As time passed Dan had to totally accept his responsibility to care for him. A brothers devotion for years to come. And, never ever gave up his love for his brother Butch.

Butch had a laughter and smile that would brighten anybodies day at any given moment. I could go on for hours of the memorable times that we all spent together. Especially at the Jersey Shore !!!

So Butch, it is time to say fair well Amigo until we meet again.

Love Marge !!!
