*I have so many fond memories of Uncle Jerry, from my first official phone book delivery, first pair of roller skates, designer jeans, first time seeing/playing a video game, first time watching a MTV video, first time riding a snow mobile and crashing , the list goes on.... But the memories I will always cherish are the childhood trips to Lake George, his holiday dinners that were always extended to my family, as well as his punchy sense of humor. No visit was ever complete without a mention of how frugal my dad was. ... to a man that wasn't family but always felt like it.*
