“ Dear Helena, you will be greatly missed. You were first my neighbor and quickly became my good friend. I will miss hearing you call my name and seeing you wave Hello to me from your window and I will miss visiting and talking with you. I will cherish your memory and our times together gardening, going to mass, and just being able to call you or stop over to check on you. I will miss our bird and flower watching walks. I will cherish the recipe you gave me and make it often and think of you lovingly. I was blessed to have gotten to know you and to have you in my life. I'm so sorry this happened to you. You are gone too soon and I will miss you Helena. May you rest in the sweetest peace among the most high Dear Helena; a piece of my heart goes with you and I will hold your memory in my heart forever. Until we meet again... I love you Helena and thank you for being my friend and neighbor. I am sending all my love and prayers to the family. Chris your mother was very proud of you and the family you created. Helena always spoke lovingly about all her grandchildren. She was always so happy to share that her granddaughter was visiting or going abroad and talk about the updates with all her family. Please accept my deepest condolences. Love, Neighbor Nicole. XOXO
