“ *I wish I had the right words to express how much I miss Jim. His subtle humor ... quiet intelligence ... kindness to animals & those less fortunate than us is something that is with me everyday. Time heals all wounds, but there is a piece of me that is missing. Someday ... hopefully not for a very long time ... we will meet again. Until then Jim will always have a special place in my heart. Gone too soon, I just wish we had more time together...*

“ *My favorite memory of Jimmy was hearing "Hi, honey!" everytime I saw him or called the house. He was a really good guy and I will miss him. My condolences to Cathy, Dan and the rest of Jimmy's family.*
