“ *I am kind of lost for words at the moment. We had some good times in the past on 18th street with Steven and other kids on the block playing basketball, stickball and wiffle ball when we were younger but we lost touch for quite awhile. RIP Jimmy. My condolences go out to your family!!!! You will be missed!!!!*

“ My brother Ohhh the good times the stories we can start a book about Bengay, the time I almost lost my license, the time you were the only one there physically when my Dad passed. How about the days Christine and me went w you as a messenger. You were more than a friend I will always consider you my brother. Till we meet again my brother please save me a good spot upstairs... God bless you.
