“ *My Aunt Jennie was most kind and considerate to me, since the day I was born. She was a remarkably benevolent person, and a fearless crusader for truth and justice in our society. Aunt Jennie relentlessly wanted to help everyone, from donating to causes of poor, sick and destitute peoples, to helping forgotten animals, especially her beloved cats, sadly abandoned by others, but saved by Aunt Jennie. I will always cherish her memory and am forever grateful for inspiring myself and our family to always think of those less fortunate.*
