“ *Chickie; as I knew her, lived in Fort Lee, Coytesville section and that is where we met. I was about 11 or 12. Chickie became a fast friend! I really lived across town and I'd be visiting my sister in Chickies neighborhood. She was sweet and genuine to me always! We lost touch over the years but Facebook brought us back to sharing our lives. She introduced me to Joey, and we constantly looked at each others grandbabies. It was clear to me her family was her priority! I am so sorry I have not seen her in person. I cried today when I saw the news. God bless the family, may she rest in peace. I am so sorry for your loss!*

“ *So sorry for your loss. Our neighborhood is going to miss her. She was a great friendly neighbor. I remember in summer sometimes sitting on the stoop with her in front of my place and just talking.*
