“ Although Megan and I did not know you, we can tell the kind of person you were through your incredible son Rich! He is a giving leader, husband, father, and a treasured friend, especially to our family. Through words and pictures, we can tell you were a loving and dedicated lady to your family and had a beautiful sense of humor. May you Rest In Peace and find love and comfort in reuniting with your husband. ❤️ Ed & Megahn Hughes

“ From the first moment I met u, you showed me nothing but kindness and love. I enjoyed our lunch dates at flapjacks where we were always treated like royalty. You had a soft voice, that at times I would want to yell at u to turn up the volume lol. We shared a love for your “Richie” I’m so proud of the great man you raised. He is one of the kindest and most loving persons I know. I’m sad that you won’t be with us when we say “I do” im mad at myself for not getting the wedding done sooner. I’m sad that you won’t be moving in with us, I was looking forward to morning coffee’s with u. I even went out and bought a cute sugar and creamer bowl for you. I’ll love u forever Joanne, I’m so blessed to have known you and I’m even more blessed to have a piece of your heart with me, with my sweetie. 💙💙
