“ *I will miss how he use to talk you into accompanying him to run an errand & once it was done he would ask if you didn't mind stopping off somewhere else on the way. Of course, you would say fine & next thing you know you were spending the whole day with him running errands, having lunch or just talking.*

*Peace be with you dear neighbor & friend - may the light of our Lord always shine on you.*

*With my heartfelt sympathy,*
