“ My daddy, I love you more than you knew. I don't know how to do this without you. You were always there for us no matter what. You will always be in my heart. What a wonderful grandfather you were to the kids. I will always remember all the good times we had. We may be crazy but we were a family. Like you always said, "Family comes first!" I will remind everyone of that. So many things I want to tell you. You will be in everything I do and I promise you that we will be alright. Don't worry about us daddy. We will survive. I love you so very much. And I'm keeping my eye out for that seagull!!

Always,  
Robin Christine
