“ Dear Mike, Michael, Nicole, Erin and Jackie,

It's not everyday that you meet someone and click with them right away, but your mom and I did on the first day that we met. Once we found out that we were both born and raised in Garfield , we were bonded! From our first few conversations it was obvious that your mom was a PROUD mom of her children and I learned so many things from her.

Words cannot even begin to express my sorrow. May your memories help you find peace and comfort..

At this difficult time may my friendship, sympathy and heartfelt condolences bring you comfort as well.

*Love and hugs,
Susan Lake*
