“ *My heart is broken. I wish I had known of her passing I am lost for words ..Lottie was my client and my dear friend for so many years we shared wonderful times together I've been her hairdresser for many years .. she would call me a few days before to schedule a appointment .. when I arrived her cat little boy would greet me .. Lottie always made sure I left with something .. she would give me bag full of goodies to home assorted greeting cards from various animals organizations, oranges , candy , cat food when I told her I had a stray in my yard she worried about her sister Rosie and made sure I always had time to give her a haircut ... over the years she's given me tokens appreciation . A white small Xmas tree that lights up .. she was beautiful loving person who cared about others and her love of animals .. I will miss her dearly and will be ever grateful for having known her ..*

“ My dearest Godmother. I have so many wonderful memories to share! You were truly an angel from the day you were born. You were a caretaker throughout your whole life! As far back as I can remember, you came to help your sister Mary with her six "babies". You would gather us all up, take us on the No. 68 bus and head off to Main Street, Passaic for the afternoon, just to give her much needed rest! How special we all felt getting the chance to go shopping!

*I always felt so special coming to your house for the weekend and spending time there. We went out for dinner, something we just didn't do at home in those days! I felt special taking a bubble bath in your very pink bathroom, and being spoiled all weekend. You told everyone I was your Godchild! You made me feel special, and YOU are special! You did so much for so many, from nieces and nephews, to friends and furry friends! You sacrificed your time and money to help the homeless animals, went on feeding trips, and did so much for them!*

*I am so very sad that you have left us. I am so lucky to have known you and proud to call you my Aunt and Godmother! May you rest, now, in peace, and know you left an indelible mark on all those who have been fortunate enough to have had you in their lives! Until we see each other again, Aunt Lottie.....*
