“ *We are deeply saddened to hear Linda passed away from covid 19. Linda was a kind and loving person who helped us through some rough times throughout the years. Her warmth and humor brightened our lives. Linda became a very dear friend and we will miss her terribly. We can imagine how devastating her passing is to you, Aaron, and the rest of your family. Know that she and you are in our thoughts and prayers.*

“ I met Linda in kindergarden in Garfield and we have been friends for our entire life. I loved Linda. She was a loyal friend with a Great Sense of Humor! We shared a lot of laughs in our lifetime! I was a bridesmaid in Linda and Pete's wedding and throughout our lifetime we shared a lot our great moments together! I was stunned when I heard of Linda passing and still have a hard time realizing that she is gone. I will always miss Her!!

“ Our deepest sympathy to the Cerrachio family. Linda was a dear friend for many years. We went to grammar school and high school together. We also worked together for a while at Formflex Foundations in Sad. Brook. She was the bright light in that office. We will miss her and her great sense of humor. May she rest in peace.

Love & miss you Linda,

“ Mrs. Cerracchio and I worked together for 6 years. When you see someone everyday for almost 6 years they become more like family. She made everyday a funny story to tell. We used to hide a little toy on each other in funny places in our classroom. We lovingly named the toy cat Felicity. Im glad when she retired I got custody of Felicity because I will always have a reminder of my dear friend. I loved her use of bitmojis through her text messages and our many inside jokes. She was a God send to me. We shared many joys and sorrow, always lifting each other up in prayer. Her faith and love of God was beautiful and I know she is at peace. I will miss you so much Mrs. Cerracchio, because I still can't call you Linda. To loved ones Sharon, Aaron, Joey, and Candice please know you are in my prayers. She always loved talking about you guys and would fill with joy!

“ *Linda lived across the street from me on Banta Avenue, Garfield. Next to her home was a brook that we played at for many hours-crossing on rocks, falling in the water and getting scolded by our parents. She had many pajama parties at her home as we all did. They were so much fun!!!!*

Linda was my bridesmaid as I was hers. When she asked me to be a bridesmaid, I was several months pregnant. We both laughed at what size gown I should get, maybe a tent.

We remained friends through the years sharing stories of our children and grandchildren.

Girlfriend, Rest In Peace and may God grant strength to the family to move forward.

*You will be missed,
Love you,

“ Auntie Linda was my favorite aunt, if you asked her she'd tell you the same. She was also my only aunt and that was the joke. She was the first person I knew who wore contact lenses and when she explained them and took one out to show me it blew my young mind. I can't believe you're gone Auntie Linda, I'll always smile when I think of you.

“ I met Linda after our daughter, Candice, met the love of her life in Joe. Planning their wedding together, tough many miles apart, showcased what a loving, caring and gracious person she was. I remember her support after the loss of my mom, such incredible faith. God blesses such beautiful souls. I will miss her. Lucy
