“ *Dear Lisa, Stephanie and family Alan and I want to send our condolences to each of you as you mourn the loss of your mom and grandmother. She will be greatly missed. I remember all the fun times we had hanging out with her. The laughter we shared over pizza and soda. The times we hung out at your grandmothers house Lisa, and we all gathered together for the holidays. She was a great women and this world will not be the same without her. However she will live on in your memories forever and you will meat up with her again some day. Till then remember all the amazing times you shared with her. God bless all of you at this difficult time and everyday ahead. Take care, with all our love, Rose and Alan Franco*

“ I will miss you Linda. Will miss how you would come walking from the store & you would then come sit in my yard & ring my doorbell & ask if I was coming outside so we can talk. I will also remember the times you would pick tomatoes from my garden. You are now probably picking tomatoes in heaven. Miss you my dear friend. You are reunited with Buddy now & you are at peace. RIP my friend. I will miss you.
