“ Lisa was the biggest sweetheart to work alongside. My twins share her and her sisters birthday, and she'd share her twin adventures with me. My favorite story that touches my heart: she said that when she was little and she and her twin slept in bunk beds, one would dangle an arm down, and the other would raise their arm up and they'd hold hands to fall asleep 💕 Lisa, you are beautiful and I will always cherish my memories of your gentle spirit.

“ My fondest memory of our Lisa (aka LR), is her being there for me for one of THE most important days of my life! She came into work on her day off, especially for me and my Baby Clare. She was there with me, seeing me through the toughest moments when baby was behaving badly, to making me THE BEST ICE CHIPS EVER, right to the birth of my beautiful second daughter! I will always have a soft spot in my heart for Lisa. She was there for me. She was the best I could have asked for that very special day. She is an Angel, and she will always be here to watch over and protect her beloved family. She loves her son Jeremy so very much and it always showed how proud she was/is! Praying her family, her son and her husband Henry find strength to remember her fondly and smile whenever they think of her, she would want laughs instead of tears I'm sure of that! Rest in Peace Sweet Angel of our's.
