“ *Margie was my very dear friend since 3rd grade. We lived across the street from each other for many years - and had a wonderful growing up childhood playing in the near by park, sledding down our steep hill and walking to the malls. In our adult lives, she was always there for me ---- to listen to my problems over coffee and donuts. She was a wonderful, loving friend and I will miss her. Forever in my heart and mind with wonderful loving memories, RIP Margie*
