“ *My deepest condolences to Maria's family. Maria and I had worked together and stayed in touch after I left Roche for medical reasons. She was thoughtful and kind, checking to see how I was doing. She was a remarkable person and I have never met anyone who worked like her, so much integrity and attention to detail, incredible. She was kind, fun and loved her family and her dog. I am a better person having known her and will never forget her. So sorry for your loss.*

“ Though I only worked with her for a short time, Maria was a delight. She was always smiling when I saw her. She always brought joy and fun where ever she went. She talked of her family with pride and you could always feel the love she had.

I've learned that people will forget what you said, people will forget what you did, but people will NEVER forget how you made them feel...~ Maya Angelou

Maria always made people feel comfortable and cheerful. She will be missed.
