*Although I only knew you a short period of time you touched my life so much. I treasure every moment we spent together. You were by far my favorite patient ever. During your physical therapy sessions you would tell me... “We make a great team...” We sure did. We had a lot of fun together. I will always cherish you. I’m so happy I visited you at home and got to spend time with you. I will miss you very much. I love you my friend. Rest in the Sweetest of Peace 🙏
Until we meet again.*
