“ *Monica was such a giving person. She was always willing to give of her time, to reach out to someone in need or to just listen. She was always a comfort in times of need and also a joy to talk to. We often had a good laugh about life! May she rest in the Lord's arms.

*Monica was a facilitator for many grievance groups that were held at St. Catharine RC Church in Glen Rock. I ended up meeting her because of my own need for a support group three years ago. Monica was kind, warm, honest, loving, caring, funny, quick witted and always extended herself to help anyone, anywhere, any time and anyway she could. All who had the pleasure of knowing her, knew she was a true angel here on earth. I know she is watching over all of us now. As Monica taught us, nothing happens by chance, there's a reason for everything. I was meant to meet her and so are all of the others who had the pleasure. I think I can speak for most with saying that we will carry her spirit with us and consider it a privilege to have known her. Rest in peace our friend, our angel.*

*Monica was truly an angel on earth. God blessed me with meeting her thru the Bereavement group she facilitated at St. Catherine's Church in Jan. of 2014. She will be greatly missed, but her welcoming spirit, warm smile and encouraging words will resonate with me always. Rest in eternal peace, my dear friend.*
