*A lot of great memories, shared moments and inside jokes. We laughed like school girls, swore like truck drivers and cried like babies. You will be so missed my Hudson County Friend!!!  
I love you. I love you. I love you.*

*“ Our hearts are heavy and saddened that Monica is no longer with us. She was a beautiful person inside and out. We are praying for her, Andy, Drew, Ashley and the rest of her family-that they somehow find peace during this difficult time. Always remember the good times spent together. She may not be here in body, but she will always be with her loved ones in spirit. A beautiful angel who will always be there for her loved ones.*
