“ *my deepest condolences to the family of Pat. I enjoyed many hours talking with her and being with her at her brother's house in Mount Dora She will sorely be missed. What a pleasant New Yorker contrary to what New Yorkers are supposed to be, and she was a fine Floridian. May she rest in peace in the sight of the Lord.*

“ *I'm very thankful to God for bringing Pat to us at FBCM where I got to meet her and grown to love her in the Lord. She'd often mention how she doesn't hear well but she loved the worship. We had some very pleasant conversations especially during the lockdown and one thing she was absolutely sure about is that the Lord is still in control.*
