“ *Priscilla was a close neighbor and she was my adopted aunt. I met her in grade school when I was 6 years old. We got so close where one day I just asked her to be my aunt and she accepted. from then on, I called her aunt P and she was my best friend, neighbor, and my family who was so close to my heart. We always said we had that special bond that nobody else had. But now she is with her husband who I called uncle Steve. May she dance with him in paradise and be at peace for all eternity. I love and miss you Aunt P. I'll see u again one day!*

“ *Priscilla was my neighbor and close family friend. Her laugh always lit up a room and she always knew how to make me smile. She never hesitated to help the people she loved in any way she could. I love you Aunt P.*

Priscilla, my heart is just broken and I miss you more than words could ever say. You always have been there for me and my family. Especially my kids. Especially for Kyle. I keep waiting for your phone call or to see you in your car or in front of your house. This all has happened way to fast to digest. At least you are at peace with your family. Your second family here, as we considered each other will always love and miss you. We were Blessed to have you in our lives. You brought us as much happiness as Kyle brought to you and Steve. Rest in peace our Aunt P. Xoxo

“ *Priscilla was my school lunch aid. Everyday at lunch, she would come over to see what I had for lunch. She, alive or dead, is a lovely spirit and one of the friendliest people I've ever had the honor to meet.*
