“ *Bob, you will always be remembered as a hard hitting football and baseball player at WHS but also as a Vietnam combat Marine. Working with you at Singer Kearfott Navigation and BAE System's you showed that forward thing management style and personality. I remember your selfless Platelet donations to cancer wards and the honor you received from the Bergen Record. Bob, God be with you.*

“ Remembering all the great times we had in high school. Your personality and great smile. Always happy and having a good time. Our trip to Washington when you ran from one side to the other while they were taking our picture, so you can be in the picture twice. Riding down that hill on sleds in the park. You served your country so beautifully. Thank You for all that. Be at peace with the angels wings wrapped around you. Love You
