“ *I was 18 years old doing tech support for Prosolutions the first time I spoke to Robert. He used to tease me that us LA people were too laid back and just wanted to surf all day. 20 years later he still teased me. Regardless of how big the issue at Luna Mesa was, he was always lighthearted and a pleasure to work with. Although we never met in person, I will never forget that voice. Thank you for always being so kind, Robert. May God bless you!*

“ I am so saddened to hear of your loss. Robert was a kind, wonderful human being . Though I only know him from the business, for years he always greeted me with a smile even during my long distance phone calls to make appts when I was in town. He will be missed and is a great loss to the community. May Gods Grace bring peace to family and friends during this difficult time.

“ Rob was the most generous person and all around great guy. He had a big heart and always approached things with a mindset of what can I do to help. He will always be remembered as a close friend and loving person. You will be missed my friend. - Dave B

“ My condolences to the family was always nice when I would come in and deliver the mail. Even when I come and get a massage, he will be missed there.

“ I’m so sorry to hear of Robert’s passing, I had such great conversations with him over the years at the gym, it seemed with all my breaks from the gym whenever I returned he was always still there. Such a gentleman, I remember most recently when a fellow gym member collapsed at the gym and was taken away by ambulance, Robert was so concerned and caring for the man, and quickly sprang into action to help take control, and comfort the man, he looked at me and said “ he was trying to do too much, showing off” it truly effected him, it just showed how caring this big guy was. My prayers go out to his family, I’m truly sorry for your loss.
