“ *I just found this out recently. I was so sad to hear Roman had passed away. I was the sub bus driver for Mrs..Potter. We sure loved him he was a good boy. Prayers for you all. This is a hard journey only God can comfort. I too lost my 17 year old 28 years ago. Just know you are not alone. So glad to have been a part of his life. I now drive that bus which is Bus 100 now and I pass your house everyday. ♡♡ Susan Jarvis (LCS)*

“ Dear Roman, Shawn Dininny messaged me to tell me that you were holding the rosary beads I gave you when my family visited with you in North Carolina. I am so glad that you kept them with you. It makes me happy to know that the our Virgin Mother Mary will always be at your side. I know you are at peace and at rest in the heavenly kingdom. You made such a great and positive impact on all you met. I can assure you I will never forget you. Cling to the beads my dear child of God. We will rejoice in their beautiful promise on the day of resurrection. I know I will see you again. I will keep you in my prayers. And I ask you to ask God's blessing on me and my family. The greatest love on this earth is to make a difference in all you come in contact with. You did that dear Roman! You did that! So this will be my final goodbye. With sadness of heart, I won't see anymore messages from you. Your messages brighten my day. Good bye my dear friend until we meet again! ❤️

I am honored and blessed to be able to say I knew Roman. As an ESL teacher for Lincoln County Schools I met Roman the first year I worked at Iron Station. He was a fifth grader...my only fifth grader so when he came to my class it was just the two of us. I cherished our classes as I learned much more from Roman than I could have ever taught him. He was brilliant and I will never forget this young man who loved his family, watching soccer and just talking. He, by far, left a bigger impression on me than any student I met in my 25 years in education. Rest in Peace, my friend... prayers for you and your family.
