“ *My condolences to his family . Rue!!!!!! I can't believe you are no longer present in this earth with us. From day one we connected and had a lot in common. I made sure to give you your flowers while you were alive and told you everytime we talked the sky was the limit. We had so much during covid! I have saved our many texts. Thank you for always bringing good vibez and making me feel beautiful. I'm so upset I'm finding out now , I went through ppd and wasn't reading out to anyone . Until I see you in heaven, I ❤️ You and miss you dearly*

“ *Found a convo we had many years ago and we said we would get together to catch up and we never did. My heart is broken that I cant go back in time. Life came between us. You got busy with your blooming career and I got diagnosed with a life altering disease. I never got to tell you how proud I was of you, but now you know. You made your dreams come true and then some. Your memory, smile and laugh will forever be engraved in my memory. ILY always!*

En mis inicios siempre estuviste ahí apoyando y creyendo en mi y en mi visión, en los últimos años la vida nos llevo por caminos diferentes seguías tu sueños y yo seguía los míos pero la distancia no fue obstáculo para que te siga queriendo... Se que llegaste muy lejos y cumpliste muchos de tus deseos ahora descanza en la santa gloria de nuestro señor Todo Poderoso 🙏🏻. Los que te conocimos te vamos a extrañar mucho pero sabemos que estás en mejor lugar ahora. Ve con Dios mi amigo del alma siempre voy a recordarte feliz y alegre y tu flrma de #RosarioGlam Siempre quedara plasmado en tu honor. 🙏🏻💙🙏🏻❤️
