

Stacie Marie Jones

March 13, 1976 - October 25, 2023

Stacie Marie Jones, 47, passed away unexpectedly on October 25, 2023, in Stuart, FL. Stacie was born in Paterson, raised in Garfield, and lived in Clifton and throughout New Jersey before moving to her dream state of Florida a few years ago.

Stacie was a beautiful and caring soul, a free spirit with a heart of gold. She had a great talent and passion for art, loved being outdoors, and going to live bands and concerts. Stacie had an unshakable love for the beach, riding, taking pictures and basking in the sun. Stacie loved to dance (even if no one else was) and was known for her infectious laughter, and a smile that could light up a room.

Stacie had a profound love for animals and children, and her generosity had no bounds; she literally would give you the shirt off her back. Stacie loved and cared so deeply for others, was a tough Jersey Girl and had a great, sarcastic, sense of humor.

Stacie was the daughter of MaryAnn Jones (nee Lazorchak) and the late Robert Charles Jones, Jr. Stacie is survived by her daughters, Sharlee and Skylic, whom she loved deeply, her sister Billie-Jo Jones, and her former husband, Alan Burek. She will also be missed by many loving nieces, nephews, and her best friend since childhood, Debbie Granito (nee Brian),

and close family friends Susan and Emil Vitale and many other family and friends.

In lieu of flowers, donations in Stacie's name to a charity or organization of your choice would be kindly appreciated by her family.

MY

Stacie. I miss you so much. I always thought you were a beautiful person, even when we weren't getting along so well. You always gave to others, even when you got nothing back. I know your children loved you so much, and so did I. We unfortunately met through the foster care system, and I loved your little one. I miss you so much and always thought we would reconnect. God bless you sweetie, and I hope we see each other again in the future. Love, love, and more love to you.
