

Stanley Parzecki

September 3, 1924 - October 18, 2024

Stanley Parzecki of Garfield passed away at age 100 on Friday, October 18, 2024. Stanley was born in Warsaw, Poland and was 16 years old when World War II began. He courageously served as a member of the Polish Resistance forces, Armia Krajowa, to protect the country from Nazi German occupation. He notably fought in the Warsaw Uprising, which became a symbol of the Polish resistance and fight for independence. He was even captured as a German prisoner of war and released when the war ended in 1945. After several years of technical school, Stanley was able to emigrate to the United States in 1949, eventually settling in Garfield. His heroism and loyalty to his country will continue to inspire us. As a construction worker, Stanley loved working with his hands and always took great pride in maintaining his property and home. Whether it was shoveling snow or building a shed, he was a fiercely independent handyman well into his 80s. He was a keen follower of world events and immersed himself in history and politics. His favorite place to sit in the living room was always strewn with books, newspapers, and magazines, evidence of his lifelong pursuit of knowledge. Stanley also found joy and meaning in contributing to animal charities. Helping animals in need was a cause he held close to his heart. He will always be remembered for his wisdom and generosity, which shined through everything he did. Stanley was the beloved husband of Alice Parzecki (née Cegielska) for 58 years. He was the devoted father of Edward Parzecki and his wife Aneta, Arthur Parzecki and his wife Margaret, and Linda Parzecki-Aslih and her husband Omar. He

was the loving grandfather of Isabel, Julia, Logan, and Kenza.

A private cremation will take place at East Ridgelawn Crematory in Clifton, NJ.
