“ *To the Family of Stasia Hegybeli,*

We would like to extend our condolences to all her family. It was our good fortune to have known and treated her. She always managed to get us to smile. May she now rest in peace. Heaven gained another angel but so did you.

“ *Aunt Stasia would always greet me with a "Hi Jack, how you doing? No really, how you doing?" She cared. She really cared. Gave the best hugs. And OH HOW SHE LOVED HER FAMILY AND LOVED GOD !!! Will miss her terribly. Rest peacefully Aunt Stasia. You are now eternally in the presence of God. Niece Jackie*

Auntie Stasia was part of my life from the beginning. She often babysat including time I rolled out of window at Van Bussum. Auntie Jean would remind her of the incident over the years. No one was closer to me. I enjoyed our visits and phone calls. I became "Pope Dad" in honor of Francis. I will miss her so much.

“ You were the hardest to let go. The last of 10. Now there are none. Thanks for being a wonderful and loving Aunt. For all the memories our families shared with you and yours. You had a heart of gold. Will always remember your laugh and delicious cookies. Loved being there with you at the blue hair club. We all had lots of fun. I know you are up in Heaven with Uncle Gene, your Mom & Dad and all of your brothers and sisters reminiscing as one big happy family. Thanks for always praying for us and keeping us in your heart. Also, for bringing up a beautiful family which I can enjoy being with, my cousins. Heaven gained another Angel. We all miss and love you. God Bless and until we meet again. R.I.P.
