“ I worked in the retirement community where Stella lived for the last five years. She was full of energy and always so kind. She loved Bingo and she was my go to girl for Wheel of Fortune. When I worked at night, she always came out after dinner to bring me a baked good that her daughter had dropped off. She told me it was our secret. Well her secret is out...she was always so generous and kind and we will all miss her here. Rest in peace my friend.
