“ I'm so sorry to hear Ms. Teresa passed. I remember her fondly and with love and affection and have thought of her very often since she moved. My garden is a gift from her where she gave me cuttings and implored me to replant them. I will never forget her and our meeting over the fence and how sweet and kind she was to me all the time. The last times I saw her I was sad to see her getting frail when she was a really strong woman over the years. My condolences to Mr. Stanley, Walter and Andy. Rosanna Pizza
