*I have nothing but wonderful memories of Tom. Although I haven't seen Tom in many years, he always has a special place in my heart, because he was very thoughtful and kind. I always felt welcomed in his home. We spent many a nights in deep philosophical conversations, but yet we always managed to laugh and enjoy the moment. I will miss you old friend. I do pray that you are now in the presence of the almighty, and that God's peace shine upon his surviving family during their great loss. Good by for now my old friend, rest in God's peace.*
