“ *The love between an Aunt and her Niece is very special. It is even more special when that love is extended to her niece's husband and children. Thank you for the love and all that you taught us. We will treasure our wonderful memories of you forever. We love you Cioci Vi.*

“ I was blessed to have such a beautiful person in my life for so long. Cioci Vi was one of a kind. A whipper snapper that pulled no punches and made sure I knew to always do the right thing for myself & others. I will hold dearly the times sitting at her table telling stories, laughing & yes, emotions. The best was when I would do something for her and she wanted to pay me, but I wouldn't take it, she would say " I don't want St Peter to not let me through the gates because I didn't pay" I would laugh. I'm pretty sure they had a parade for her. You will always be loved Cioc. I will miss you, til we meet once more...

Thank you & yes your so welcome Cioc.

“ I'm so grateful that I was privileged to have my grandmother with us for so many years. I remember as a child when she and my grandfather would come visit us in Texas that I would start to cry 2 days before she left because I knew I was going to miss her. Grandma, I will always miss you. Thank you for being such a hard working lady and making your family a priority. Until we meet again...

Love always,
Deborah
