“ *Walter was a beautiful human being. He inspired all who knew him with his spirit and drive to live and enjoy life. I was inspired by him and he taught me many things during the many years that I knew him and served as his Conservator. He shall always live in my memory for all that he represented in life. He was a great example of a young man who refused to give up because of severe disabilities suffered when he was only 15. . It was my privilege and honor to serve him for many years.He always was gracious and thanked everyone for all that they did for him. I learned not to fear disability as a strong spirit can overcome weakness of the body. I thank him for all that he has given me. May his memory be an inspiration to his sisters, nieces and nephews and all that knew and loved him.*
