“ I became veryyy close friends with Sophie thru CVS. I am there at least 3 times a week or more. She saw me through all my pregnancies and LOVED my children and was always so nice to me and my children every time we walked in there. I just heard of her passing today and was devastated to say the least. I have been to the store MANY times since then but just thought she was not there that day. I am so sorry for the loss of Sophie and my family and I send our condolences. I am so upset by this. Sophie was a wonderful person!
